

KinderConnect – How to Disable Pop-Up Blockers in Google Chrome

If pop-up blockers are enabled on your computer, it may prevent you from downloading/exporting reports.

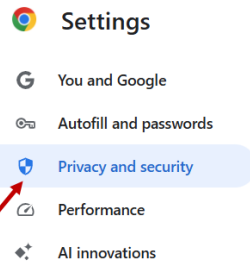

- A** Open Google Chrome and click the three-dot icon at the top corner of the screen.

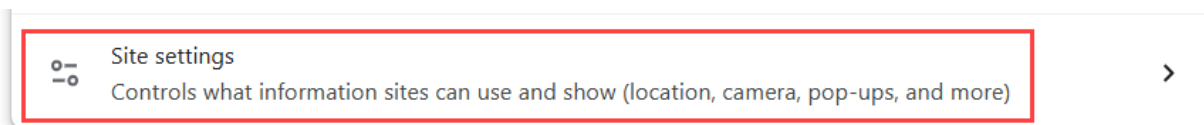

- B** Click **Settings**.

- C** Click **Privacy and security**.

- D** Click **Site Settings**

- E** Scroll down to the Content section and select **Pop-ups and redirects**.

- F** Select **Sites can send pop-ups and use redirects**. Changes will be automatically saved.

Default behavior

Sites automatically follow this setting when you visit them

- ☒  Sites can send pop-ups and use redirects
