

KinderConnect – Review Operator Activity Log

Use the **Admin > Operator Activity Log** page to review the activity of the Operators.

- A** Press **Operator Activity Log** under **Admin**.

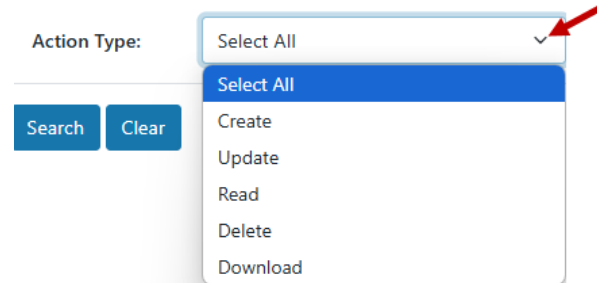

- B** Enter the **Start Date** and **End Date**.

Start Date: *

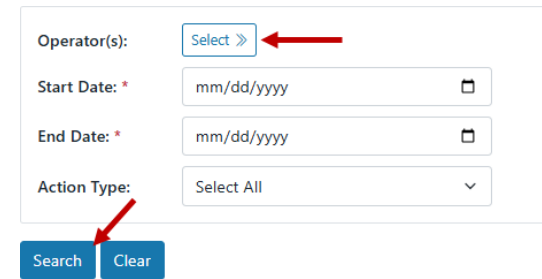

End Date: *

Note: Required fields are marked by a red asterisk (*).

- C** Press the **Action Type** drop-down arrow to filter the search results by specific options.

A screenshot of the 'Action Type' dropdown menu. The menu is open, showing options: Select All (checked), Create, Update, Read, Delete, and Download. A red arrow points to the dropdown arrow.

- D** Press the **Select >>** button to search for a specific Operator or press the **Search** button to search for all Operators.

A screenshot of the search form. It includes fields for Operator(s) with a 'Select >>' button, Start Date, End Date, and Action Type. Below the fields are 'Search' and 'Clear' buttons. Red arrows point to the 'Select >>' button and the 'Search' button.

- E** A list of all activities will generate corresponding to the criteria entered.

Search Results: 0708 Results Found

Date	Time	Operator Name	Action Type	Page	Record Number	Record	Record Type	Version	Transaction Time	Record ID	Actions
10/7/2025	1:31 PM	Dominquez, Carina	Read	Home	0			2,31.0.0	10/7/2025 1:31 PM		
10/7/2025	1:31 PM	Dominquez, Carina	Read	Region Settings	0		Region Settings	2,31.0.0	10/7/2025 1:31 PM
