

KinderConnect – Printing and Exporting Attendance Data

It is easy to review print and export attendance data for further revision.

- A** Click **Reports** under Reports.
- B** Press the drop-down arrow and select the **Daily Detailed Attendance** report.

- C** Enter at least the required search parameters (indicated with a red asterisk *). Entering information in other fields is optional.

A screenshot of a search parameters form for the 'Daily Detailed Attendance' report. The form includes fields for Provider, Start Date, End Date, Only Submitted Attendance, Sort By, Page Breaks, Case Number, Contract Type, Child, Signature, Notes, and Output Type. A red asterisk is placed next to the Provider field. A 'View Report' button is at the bottom.

- D** It is important to select the **Output Type** you would like to generate. Select **CSV** if you would like to export the attendance data to a Microsoft Excel workbook. Press **View**.

Once the Report generates, press **Open** from your browser to review in the selected **Output Type** format. **Note:** Depending on your browser, it might be different. You cannot access KinderConnect using Internet Explorer. Please use another browser such as Google Chrome, Firefox or Safari. To learn how to disable pop-up blockers, press here.

- E** You can now review the report using Microsoft Excel. **Note:** This report can be generated in **PDF** and **CSV** format. Follow the same steps to generate a PDF output, selecting **PDF** as **Output Type**. The sample below has been generated in .pdf format.
