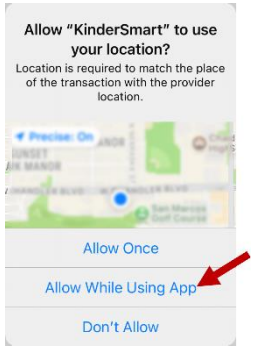
# KinderSmart – Parent/Sponsor Registration

The **Parent/Sponsor**'s smartphone must be registered to use the KinderSmart app. Before registering you must have your **KinderSmart Registration Form**, which is provided by your provider.

**A** Download the **KinderSmart VA** application from the Google Play Store or Apple App Store.

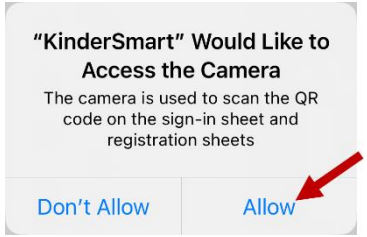
**B** Tap the **KinderSmart** app icon to open it.

**C** When prompted to allow location access, press **Allow While Using App**.



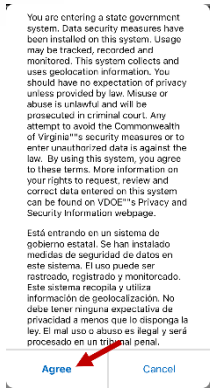
**D** The app will prompt you to scan a QR code to register your phone. Tap **Scan**.

**E** The app will ask to access the camera, press **Allow**.



**F** Scan your **KinderSmart Registration Form** QR code. To scan, move the QR code into the view of the phone camera so that it can be clearly seen on the phone screen. As soon as the whole QR code is visible to the phone camera, the phone automatically scans the QR code.

**G** You will be prompted to acknowledge a notice. Press **Agree**.



**H** A confirmation message will appear indicating that the phone was successfully registered.
